DEDICATION

By recommendation of the Resolution Committee at the Wednesday morning session of the annual meeting, the 1986 Minutes of the Kings Mountain Baptist Association are dedicated to the memory of Rev. Fred Wells.

IN MEMORIAM

A family, a church, an association and a host of friends suffered a great loss when the Rev. Fred Wells died on April 28, 1986 at the age of 69.

For eleven years Bro. Wells was an effective pastor and leader of the Midview Baptist Church. Under his guidance and influence, the church experienced much growth in membership, and considerable improvements to the building and grounds.

These changes included the installation of a baptistry, additional space in front of the building, ramp for the handicapped, porch, steeple, wall-to-wall carpeting in the sanctuary, repainting of the outside and inside of facilities, dedication of a fellowship building, and the purchase of 23.47 acres of land adjacent to the property for recreational purposes. These improvements were made possible because of much love and loyalty by concerned and consecrated members of the church under the inspiration of their beloved pastor, Bro. Wells.

In 1985, the last full year of Pastor Wells' leadership before he suffered poor health because of heart and circulation problems, Midview received 23 new members, and 20 of these were for baptism.

Long before Rev. Wells became a pastor, he was an able and effective layman of the Oak View Baptist Church where he served many years as a deacon, Brotherhood director, Sunday School teacher and Church Training leader. During this same period he served as associational Brotherhood director and fund raiser for a chapel for the Western Carolina Center, an institution for the mentally retarded located in Morganton.

When Mr. Wells responded to God's call to the Christian ministry at the age of 56, he interpreted the call to preach as a call to prepare to preach. So he soon enrolled at our Fruitland Bible Institute near Hendersonville, and later graduated after considerable sacrifice because of the lack of funds. He was able to secure the necessary funds, however, by borrowing money and because of the generosity of the Oak View Baptist Church, and the salary of the Westover Baptist Church where he served as interim pastor for a six months period.

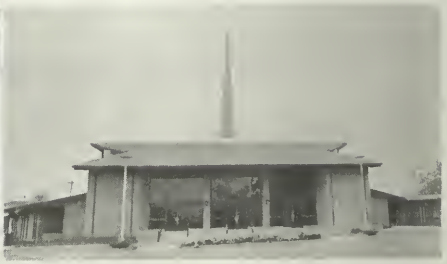
The writer of this tribute had the privilege of serving with Bro. Wells when we were members of the Kings Mountain Ministerial Association. He was the able president of this interdenominational, inter-racial group for a year, and over the years was instrumental in raising thousands of dollars for the poor and disadvantaged of the community.

For all the years that this good man served the Lord as a layman and a minister, he was a stauch supporter of the Kings Mountain Baptist Association. He thoroughly enjoyed attending the various meetings and supporting the work of the association, convinced that the churches can do much more together than they can separately.

This eulogy would be incomplete without some words of praise to Bro. Wells' widow, Ethel, who ably assisted her husband of 49 years in everything he did for the Master's cause. If Bro. Wells could speak, he no doubt could and would say that home, church and associational life with his wife meant more to him since they started their lives together than he could ever express.

J.C. Goare, Interim Pastor
New Prospect Baptist Church

A Brief History Of



First Baptist Church, Kings Mountain

Mrs. Frances Lou Smith Cornwell moved to Kings Mountain and requested that her church membership letter from Old Long Creek Church, near Dallas, be moved to Bethlehem Baptist Church. It remained there until September 15, 1890 when she called for her letter in order to organize the First Baptist Church in Kings Mountain. Mrs. John Thomas Kendrick assisted Mrs. Cornwell in her efforts.

These persons organized meetings to be held in homes and places such as the Methodist building and the Lutheran building so that people could gather for prayer and plan for a Baptist church in Kings Mountain.

It is not known whether Rev. McManaway or Rev. M.E. Matheny was the first pastor; however, Rev. J.E. McManaway was the first missionary to receive financial assistance for the organization of First Baptist Church in Kings Mountain.

The First Baptist Church of Kings Mountain was admitted to the Kings Mountain Baptist Association on March 21, 1890. According to associational minutes, it is believed that the Sunday School was organized late in the year 1891. Mr. A.E. Clayton was the first Sunday School Superintendent. A lot which was located on the corner of Mountain Street and Piedmont Street was donated for a church home.

Rev. J.J. Beach was called July 8, 1907. Outstanding activities during his pastorate were: a lot was purchased to build a parsonage, a building committee was appointed and a building fund begun for the purpose of erecting a new church building. On April 12, 1914 the first service was held in the basement of the new building.

Construction of an educational building was begun on March 22, 1950. In 1957 the church accepted a gift of land to relocate the First Baptist Church to the corner of West King and Sims Street. On July 3, 1960 the congregation held a "ribbon-cutting service" and the first worship services in the new building.

On June 18, 1961 the church called R. Allen Jolley as full-time Minister of Music and Education.

In 1967 the church voted to proceed with plans for building an addition including the fellowship hall and to renovate the temporary fellowship hall.

The Ben T. Goforth, Jr. property adjoining the church site was approved for purchase on May 29, 1968 with the home to be used as a residence for furloughing foreign missionaries.

The congregation on November 27, 1983 approved the "Together We Build" program and on September 22, 1985 held the final service in the old building and proceeded to the new sanctuary for dedication services.

On August 29, 1984 Mike Landrum was called as Minister of Youth.

The present pastor is Dr. Joel P. Jenkins, Jr., and the present church membership is 720.

A Brief History Of Macedonia Baptist Church, Kings Mountain

Macedonia Baptist Church was organized October 31, 1920. Rev. J.O. Fulbright, pastor of First Baptist Church, Kings Mountain, North Carolina, was elected Moderator of the Presbytery and D.F. Hord, Secretary.

The door of the church was opened and seven men and six women were received as charter members. W.H. Moss, R.A. Bookout, S.C. Jolley and Theodore Moss were elected to serve as the first deacons of the church. These men were ordained before the meeting was adjourned.

Rev. J.J. Hicks was called to serve as the first pastor of the church and served until September, 1924. Other pastors and the order in which they served are: Clarence Wylie, Wesley Davis, W.T. Doster, A.G. Melton, J.V. Frederick, C.B. Bobbitt, R.L. Hardin, T.A. Lineberger, Wayne Ashe, L.D. Scruggs, and Tom Patterson.

There have been three buildings in the life of Macedonia Baptist Church. The first building, a small frame structure, was erected shortly after the church was organized. It was replaced by a larger frame structure built in 1928. The present brick building was completed and dedicated on Easter Sunday, 1959, during the pastorate of T.A. Lineberger.

The present membership of the church is 477. Currently, Jesse A. Bailey serves as pastor and Delores White serves as Minister of Music and Education.

1986 ANNUAL REPORT
DIRECTOR OF MISSIONS

This has been a fruitful and exciting year for the Kings Mountain Baptist Association. We have experienced growth in the joint ministry of our seventy-three churches and one mission.

I have kept a record of my activities for the year. I began this process as a means of determining how my time was being spent. This record has served that purpose.

I am most grateful for the opportunities churches provide me to assist them at points of need. It is my prayer that the service we render will enhance opportunities of service.

Last year Christopher Road Mission was a struggling dream. We hoped to buy a lot. We prayed that we might secure adequate space for learning and worship. Today the mission owns 5.3 acres of land. A mobile unit was added for educational space. Construction is under way for the first unit, a 90' x 40' building. The Baptist Men of North Carolina, under the leadership of David Langford, brotherhood director for the state, promised us to volunteer labor to build the first unit.

The Christopher Road Advisory Committee felt they could raise the money for the material. I am very pleased to report both are working beautifully. We have had more volunteers than we could utilize. We currently have $37,333.11 in the Christopher Road Building Fund and some bills have been paid. It is a miracle the way all this has come together! The mission congregation should be in the new unit before Christmas. Praise the Lord!

The Renovation Committee, under the leadership of Rev. Jeff Brendle, has completed plans for the completion of the basement. The association has approved these plans as well as the financial plan. The Special Gifts Committee is doing a superb job in soliciting funds for this project. Funds are now in hand that will enable the Renovation Committee to seek bids. If these come in under the limitations, then construction will begin after January 1, 1987. The completion of the basement will make this part of our office so much more serviceable. We look forward to its completion.

A committee was appointed to study the possibility of another staff person at the associational level. The committee, under the leadership of Rev. Richard Plyler, has been meeting and compiling information and assessing needs. A progress report will be made to our Annual Meeting.

Money talks. If this is true, you will rejoice in the growing financial strength of our joint ministry. This past church year receipts came to 93% of the projected budget for a record total of $141,304.42. This is a 10% increase over last year.

More and more churches are reaching toward the goal of giving 4% of their budget dollar to associational missions. Some have adopted a program of increasing each year until they reach the 4% level. The growing participation in missions right here in Cleveland County is a great encouragement to your staff.

The Baptist State Convention offered our churches a team of four college students for the summer. With the assistance of our Finance Committee, and Gardner-Webb College who provided housing at a very modest rate, we were able to work it out. James Langley, Charles Cox, Delores Case, and Susan Beck who came to be known as the "A" Team did a tremendous work. They worked anywhere and everywhere they were asked to serve. In their wake they left a spiritual impact, confidence in Christian college kids, and a love that will linger on in the lives of those they touched.

Connie Long has been our Associational Summer Worker for three years. Connie will be completing her last year at Southwestern this school year. Our churches, children and youth will remember Connie. She was a blessing to us. Along with her own responsibilities this past summer, she assisted the "A" Team and became a real support person to them. Connie has chosen not to be with us next year as she has plans for other endeavors. We wish her God's richest blessings and have real gratitude for the blessing she has been to our churches and the associational staff.

When I became Director of Missions for the Kings Mountain Baptist Association, I had dreams that were far reaching but my dreams have been exceeded. This came true because the people who constitute this association of churches had dreams also. Together with shared dreams and goals the Lord has worked mightily among us and we praise Him for who He is and what He has done.

Respectfully submitted,
Rev. Cline W. Borders

1985-86 ANNUAL REPORT
CHRISTIAN SOCIAL MINISTRY DEPARTMENT
KINGS MOUNTAIN BAPTIST ASSOCIATION

The Christian Development Committee has functioned for one year now and has done quite well. Many of our ministries have been expanded and activities have increased. I have been pleased with the progressive involvement of new folk in positions of leadership in our ministries.

Our number of times that volunteers have participated is overwhelming. I am so grateful for the ongoing tremendous response of the members of our seventy-three churches as they continually respond positively to ministry opportunities throughout Cleveland County.

Our good news of sharing His love is illustrated in the reports of ministry listed below.

I. **Prison Ministry:** We have four basic programs at the Shelby Prison Camp on Kemper Road. 1) Volunteers conduct worship services every other Tuesday evening. We have averaged four volunteers for each service and twenty-one inmates. Twenty-seven church groups have assisted by providing refreshments. 2) We have Bible Study weekly on Thursdays and recently have had Bible Study on Mondays, also. Four volunteers have been involved in this ministry. Average attendance from the inmate population has been fourteen. 3) We were able to provide the one hundred sixty-five inmates at the prison camp with a gift packet at Christmas time. Twenty-three church groups/individuals participated by either giving gifts or money. Sixteen volunteers from three different churches processed the items into gift bags. 4) We began a new element of ministry this year. On Sundays during family visitation—one Sunday a month, we provided light refreshments for the inmate and his family during the time of visitation. In May we also took polaroid family pictures to give to the inmate. Six churches were involved in this ministry, which began in regularity toward the end of the year. Six volunteers have participated.

   PROFESSIONS OF FAITH: 2

II. **Jail Ministry:** This year we were only able to have one camping experience with our Juvenile Court youth. We had eleven youth to go and eight volunteers. Everyone enjoyed the weekend at South Mountain Baptist Camp. The weather was good and most were able to enjoy the hike up South Mountain.

   In January 1986, nineteen juveniles and four adults participated in the Final Step Program at Western Correctional Facility. Meals and transportation were furnished for those attending.

   We also helped to sponsor a camping trip in August for the youth at the Lutheran Group Home.

In this Sunday ministry we averaged fifteen migrants each meeting time. There were three hundred twenty-five volunteers who participated. A new element of ministry was added. This was a class each Sunday in conversational English. The migrants seemed to look forward to this because most of them were Spanish speaking. We also used several films in Spanish. Thirteen church groups participated by providing Health Care Kits and health care items.

One of my expectations for the coming year is to start one or more after school tutoring programs in our county. This will be geared primarily for 4th-6th grade children.

I do not have volunteer statistics on this ministry, but am aware of several of our members who participated. The shelter this winter will open on November 2nd. Volunteers are needed to help with this ministry.

XIII. **Substance Abuse Ministry:** This committee has met several times. They completed a survey of the churches and are currently working on a "fact sheet" on substance abuse in Cleveland County. This will be made available to church leadership. This committee will provide the program for the November Pastors Conference.

A brochure listing substance abuse resource people of Cleveland County has been prepared and will be made available to church leadership.

The committee has worked hard to develop a Substance Abuse Awareness

EXECUTIVE BOARD REPORT 1986

Three regualr meetings of the Executive Board were held during the past year. Our meetings were held on Monday evenings after the third Sunday during the months of January, April, and July, 1986. Our church hosts for the meetings were: January — Second Baptist, Shelby; April — Pleasant Ridge; July — Pleasant Hill.

At each meeting new pastors having moved to serve churches in our association were presented and welcomed.

Various committee reports were presented at each meeting, also reports of our Director of Missions and Director of Christian Social Ministries. Financial reports of the Association were presented.

Our Executive Board approved a recommendation of our Executive Committee and our Missions Committee that our moderator be directed to appoint a committee to study the feasibility of pursuing an associational church development director. This committee was appointed by our moderator at our regular meeting held January 20, 1986. Our Executive Board also approved the moderator appointing a committee to prepare plans and secure cost estimates for the completion of the interior of the lower level of our association building. This committee was also appointed by our moderator at our January 20th meeting. The Executive Committee approved the recommendation of our renovations committee that plans for the renovation of the lower level of our association building be prepared by the architectural firm of Talley and Associates at a cost not to exceed $3,500. The renovations committee was authorized to proceed with the renovations if the total cost estimates were within ten percent of a projected cost of $50,000. The approval was also subject to our Special Gifts Committee securing an amount of $20,000 prior to submitting plans for bids. Approval was also granted our trustees to secure a loan to complete the project, again within the guidelines of ten percent leeway of the $50,000 projected cost.

SUNDAY SCHOOL REPORT

Sunday School enrollment in the Kings Mountain Baptist Association has increased for the second year in a row and stood at 16,980 at the end of the 1985-86 church year. Due to the closing of the 8.5 X 85 campaign, there were two High Attendance Days observed during the '84-'85 church year and none during the '85-'86 year being report on now. As a result, average Sunday School attendance was down a bit at 9,099.

Members of your Sunday School department, or ASSISTeam as it is called, have had consultations or conferences in several of our churches. The whole ASSISTeam held a Sunday School Conference at David Baptist this past year.

The Vacation Bible School Clinic was held April 22 at Elizabeth Baptist with 157 in attendance.

The fall Sunday School Workers Training Conference at Beaver Dam Baptist on September 8-9 had 137 attending from 27 churches.

Your Sunday School Department concludes its report by recognizing one who has completed over one third century of perfect Sunday School attendance, Mr. W.H. "Coot" Lutz of Waco. Mr. Lutz has now started his 36th year of faithfulness in the study of God's word in Sunday School.

W.M.U. REPORT

Your WMU Council has taken our theme for 1985-86 — "Multiply The Vision" seriously. We have helped organize sixteen new organizations this year with four of these being in churches without any WMU work at all.

One reason we exist is to help begin new work. The other reason is to help strengthen existing work. We did this by providing Fall Leadership Training in September, Age-level "Mission Multiplication" enlistment training in January. Our age-level organizations provide activities for inspiration, information, and fellowship.

The Baptist Women hosted an "International Banquet" for Gardner-Webb students in October. Baptist Women's World Day of Prayer was observed in November. Baptist Young Women had an officers training event in October also.

A "Spiritual Development" Workshop was held in May with GA and Mission Friends having mission activities provided by their associational leadership. GA's had a December activity with a mission volunteeer, Mary Gragg as speaker ending with a visit to a local rest home and the sharing of gifts with the residents. A Day Camp was held in July with 95 present.

Mission Friends had a mission seminar and cookie exchange providing the cookies for our prison ministry in August.

We have celebrated our 100th birthday of WMU work in North Carolina this year. We had a Centennial Prayer Retreat in October. We took part in the State Centennial Celebration in March. We had the chance to look back in our own celebration at our Annual Spring Meeting in April. We have a rich heritage of commitment and dedication. A great challenge for the years ahead.

Our State WMU had an artist, Pete Turner, to depict our 100 years of work. We gave a copy to be placed in our Baptist Building in remembrance.

Our WMU was recognized as Distinguished for the year 1985-86. Thank you for your help and support.

MUSIC REPORT

Sixty-eight churches from our associational family reported an active music program for the year ending September 30, 1985. That's an outstanding percentage but not the 100 percent we have been seeking. Our State Music Department in Raleigh informs us that if a church has an elected organist/pianist or a music director, that church qualifies in being able to report a music ministry. The reports filed with your church letter serve as one of the aids helpful in providing needs and goals. We encourage every church to report this ministry on your annual church letter.

During this past year it has been my privilege to assist several churches in training sessions, handbell workshops, and retreats. The Flint Hill Church recently was involved in a Handbell Workshop. Several others are presently enrolled in a five, one night a week, handbell clinic conducted at the Boiling Springs Baptist Church. It was also my privilege as Associational Music Director to lead the music for the Associational Youth Retreat last February and then also to lead a training session in preparation for the Good News America Campaign. This was held last January in the First Baptist Church of Shelby.

Our state level festivals, music reading, and children's choir workshops plus the Volunteer Music Director's Retreat offer additional resources for growth and encouragement. We will keep you informed of these events.

For information or help with any of your church music needs, please do not hesitate to call on your Associational Music Director. Our aim and purpose is to encourage participation, to give information and service.

HISTORIANS REPORT

For the new church year we hope to bring microfilming of our associational and church records up to date.

Some of you may recall that in 1960 we microfilmed the first 110 years of history of the Kings Mountain Baptist Association and all its churches. We were fortunate to have a photographer come from the Historical Comission of the Baptist Sunday School Board in Nashville, Tennessee to do this work for us. She brought cameras and all the work was done in the Gardner-Webb College Library. Copies were sent to Nashville, to Gardner-Webb, to Wake Forest and one remained with the Historian.

We are now making preparations to microfilm all the records which have accumulated the past 25 years, 1961 to 1985, and when completed we will probably have the most history on film of any association in the state.

Recently I have had conferences with Mr. Lynn May of the History Commission in Nashville and with Mr. John Woodard, Director of the Baptist Collection at the Wake Forest University Library in Winston-Salem. They have given me counsel and advise on how the History Committee of our association can get it done.

First, let us review some of the reasons why it ought to be done:

1. Paper records in books, notebooks or files can be lost or be burned in a fire or simply deteriorate and be of no value. Microfilm is more permanent. A negative can be kept secure from which copies can be made.
2. Researchers or historians can readily use the records. They can be teaching tools in the work of the church or for ministers and students.

Now how can we microfilm 25 years of records? The association might buy the equipment and hire a photographer. Even one of the larger churches might do that, but I feel it would be too expensive to do it that way.

In outline, I recommend the following plan, with some of the details to be worked out as we go along:

1. Use the Baptist Center in Shelby as a collection point, and during the next associational year send our records to Mr. John Woodard of the Baptist Collection in Winston-Salem. This will include ALL the records of NEW churches, constituted since 1960, and records of older churches which have accumulated since then.
2. The records will be put in safe containers, and will be taken by a dependable person or insured carrier and delivered to the photographer. The records will be inventoried and

accounted for both going and coming. Receipts will be made.

3. Historians or church clerks will be the contact persons for this task. The decision to microfilm should be approved by the church or appropriate body as deacons or trustees.
4. THE COST? Nothing for microfilming, but there might be a minimal fee if records are sent by carrier.
5. How long will the records be away? John Woodard estimates two to three weeks, depending on the volume and on how many records come from other associations.
6. What records should be microfilmed?
   A. Church minutes, with dates, chronological
   B. Board records, deacons, trustees, church council, WMU, Brotherhood, etc.
   C. Other church records: the covenant, articles of faith, budgets, bulletins, committees, by-laws, correspondence, membership rolls, letters received or granted, newsletters, reports to the association, biographies, building plans, calendars, deeds, maps, clippings, memorials, special events, photographs, scrapbooks, yearbooks, financial records, vacation Bible School records.
7. All written records of any church organization or activity.
8. Movies or tape recordings of special events.

Brother Moderator, I move the adoption of this report and that the Association approve the project to microfilm a 25 year span of our records as outlined.

LIBRARIAN'S REPORT

About half of our churches report libraries. I have been talking to some of the folk at Christopher Road Mission about including a place for a library as they build, if not a room, then a cabinet.

Why have a church library? Or what is the purpose of the media-library? To elect teachers and other leaders in the church and not furnish them with adequate materials to do the job is like asking them to make brick without straw. Not many teachers or leaders can afford to buy their own commentaries or Bible dictionaries. But when the church furnishes these expensive books and places them in a central location where all teachers can have access to them, then they will sometimes use them and do a better job informing, instructing and inspiring.

You notice I'm wearing a yellow button which says "IMPACT 90". I attended Library Week at Ridgecrest August 17-23 and the theme of the conference was "IMPACT 90". They explained that the last decade of the 20th century is coming up soon and we want to get ready to make an impact for Christ during the last 10 years of this century and we have 3 years to get prepared for it.

When I got home I was telling our moderator about the fantastic sale of audio-visual equipment at Ridgecrest and that some church leaders in this association might like to take advantage of it in future years. He said just include that in your report to the association. They had projectors, screens, over-head projectors, opaque projectors, cassettes, head phones. They had each item priced and they said it was one half what they had paid for it and that they had gotten it at a discount. They use it 3 years, and sell at the end of the summer to the highest bidder using sealed bids.

I bid on a good looking cassette player, but not quite as much as someone else. So much for this year's sale.

For several years I heard much talk of Tamco. I said what is it and how does it work. I'm happy to say we now have the associational media organization operating here pretty well. We meet four times a year, usually the 2nd Thursday night in November, February, May and August. But when there is a conflict like the Baptist State Convention next month we move it a week. Our November meeting will be November 4th, the same day as the election. We will be meeting at 7 P.M. in the Gardner-Webb Library. Mrs. Marie Wellmon, who is one of the college librarians will have the program. If your church librarian can't come, then you come. We welcome any interested person.

One reason I like to attend Library Week at Ridgecrest is they always give us a list of new

books. Miss Jacqueline Anderson is a strict reviewer and anything she passes on is excellent. We had classes on **"Meeting the Needs of Senior Adults, Meeting the Needs of Young Families, Youth, and the Unreached/Unsaved."** Each teacher gave a list of 25 or 30 books. I got home with 29 pages of titles of new books. The associational office has made 40 copies. If your librarian is not here to get a copy for your church you may take one if you promise to get it to your church librarian.

I am available to come to your church and help you with your media center. I have $200 travel expense available. I want to serve you. Call on me.

Respectfully submitted,
Mrs. Bonnie R. Price

MEMORIALS REPORT

We come today in honor of our Saviour Jesus Christ and in memory of those who have departed this association in the past year. As we look at the numbers, we are aware that they represent individuals. Hopefully, all of these were active and faithful in our local churches. But most of all, it is our prayer that they were Christians. I am reminded of a story told about John Wesley, the great preacher. A speaker once related that John Wesley had dreamed he saw a great throng entering hell, and he asked whether any Methodists were among them. "Yes," he was told, "plenty of them." And Baptists? Yes. And Presbyterians, Yes. Then in his dream, he was suddenly at the gate of heaven, and earnestly asked the porter who was inside. Methodists? Not one! Presbyterians? No! Baptists? No! Catholics? No! "Then who are inside?" he asked. "Only Christians" was the reply.

We need to learn today that only those who accept and follow Christ daily will go to heaven. We need to be busy and active in our Lord's work. The list today includes a total of 245. There are three pastors, Rev. Fred Wells, Rev. Howard Cook, and Rev. Fred Knapp, ten deacons, and 229 laymen on the list. Union Baptist Church has been hit hard this year with those passing on to meet Jesus. The ages show a wide range, some in their eighties and yet one who was only 12 years old. As Carla Carpenter sat in her hospital room in Durham, she told me she had four wishes. You would expect one to be that she would not to die, but she had faith in God and in Duke Hospital. Even in the mist of death, I saw God working on this little life. Her four wishes were: 1 - to get to come home, 2 - to get to go back to school even for one day, 3 - to accept the Lord as Saviour, and 4 - to be baptized. I saw each of these wishes become a reality. I remember her calling me up and coming to the study and there prayed the sinners prayer. I saw God grant her enough time for her hair to grow back in order to be baptized even though the doctors said she wouldn't have that much time. To tell you about Carla is to reflect back this year as to others you have known in your church who have gone to be with the Lord. Even though Carla was the member with the shortest time as a member of the Kings Mountain Baptist Association, we will miss her and you miss those who have left your membership this past year.

I was asked one time after a memorial service if I really believed in the resurrection of the dead. One member of the family said if I believed in the resurrection that I was a bigger fool than he thought. My mind reflects back to a story I once heard. A young man while preaching the Gospel in an open air meeting heard this sarcastic remark: "Poor fellow, he's cracked." "Yes," he replied quickly, "thank God, that is where the Light shone in." I replied to the man that day, if I am a fool for believing the Gospel in regard to the resurrection, then count me a fool for Christ.

Let us work everyday for the Lord Jesus and may He find us working for the greatest cause on earth, the cause of Jesus Christ. Let us keep our faith and look forward to the day when we shall be again with those who have accepted the Lord as Saviour.

Respectfully submitted,
Rev. Ken Cobb

ORDINATION COMMITTEE REPORT

The Committee this past year was composed of the following members: Rev. Bob Cline, Rev. John Bridges, Ann Scism, Ronald Nanney, and Rev. Glenn Walker, Chairman.

We met twice at the request of churches this year for the purpose of examining candidates for ordination.

On November 26, 1985. the Committee met at the request of Immanuel Baptist Church for the purpose of examining Mr. Doug Huntsinger. After examining Mr. Huntsinger, the Committee expressed how excellent he responded to the questions. However, the Committee reomended that his ordination wait until he was called by a church. At that time we recommended that the ordination proceed.

On August 11, 1986, the Committee met at the request of Putnam Memorial Baptist Church for the purpose of examining Mr. Danny Bright. After questioning Mr. Bright, he was recommended for ordination. He was called to be pastor of Mill Shoals Baptist Church in Georgia.

Respectfully submitted,
Dr. Bob Cline

STRATEGY PLANNING COMMITTEE REPORT

The Strategy Planning Committee did not meet as frequently this year as it did last year. In fact, the Committee met only once. In that meeting it was decided that the focus this year should be on seeking to implement studies of the eight projects mentioned in the report last year.

These projects were as follows:

1. A seasonal ministry at the Cleveland Mall.
2. A ministry to the students at Cleveland Tech.
3. Utilization of the talents and witness of the members of the Fellowship of Christian Athletes in our churches.
4. A van to be used in the various outreach ministries of our association.
5. An additional member of the associational staff to serve as a Church Development Specialist.
6. Encourage churches to provide better retirement coverage for pastors and staff members.
7. Encourage our various organizational leaders to better utilize the time given them at the quarterly Executive Board meetings.
8. Encourage the Evangelism Committee, after the Good News America Campaign, to start planning another association-wide evangelistic effort.

These projects were all presented to the Executive Committee of the Association, which in turn assigned them to various individuals and committees for feasibility studies. Progress reports were made at the last meeting of the Executive Committee on September 29, 1986.

At this point, only project number six (6) is ready for action. The others are in various stages of study. The project ready for action is the suggestion that a Task Force be formed to educate churches and their staff members and encourage their adequate participation in the Southern Baptist Convention Annuity Program.

In compliance with the recommendation of the Executive Committee, the Strategy Planning Committee recommends that a Task Force be formed as outlined below:

The Committee recommends that a Task Force of at least three people be formed in order to encourage churches to provide adequate retirement and insurance protection for their pastors and staff.

PERSONNEL: The Task Force should be a mixed group: either a pastor and two members of the laity; or an all-laity group composed of two laymen and a woman. The latter is preferred.

FUNCTION: The Task Force will:

1. Advertise their availability and function to all the churches.
2. Meet with Finance Committees, Deacons, and/or other pertinent groups in the local churches at the group's request. Also speak to the congregation at the church's request.
3. Instruct Clerks and Treasurers in the proper manner of making applications and sending payments.
4. Be available to counsel Search Committees, new pastors, and those just entering the ministry about the importance of adequate retirement and insurance coverage.
5. Try to visit the appropriate leaders in each church each year.
6. Vigorously promote and explain the new annuity program that begins January 1, 1988.
7. Make a report each quarter to the Executive Board and annually to the Association.
8. Place articles periodically in the Associational newsletter.
9. Send special mailings when needed.
10. Be able to inform churches, pastors and staff accurately concerning the rules and laws of Social Security.
11. Present a budget request to the Finance Committee of the Association each year for expense money.

MANNER OF SELECTION: To be nominated to, and elected by, the Association as provided by the Constitution.

Respectfully submitted,
Rev. Jesse A. Bailey, Chairman

THE FEASIBILITY STUDY COMMITTEE FOR CHURCH DEVELOPER ASSOCIATIONAL REPORT

In our meeting on Thursday, October 9, 1986 the Feasibility Study Committee for Church Developer finalized and unanimously approved the following report to be presented at the One Hundred Thirty Sixth annual session of the Kings Mountain Baptist Association.

On January 20, 1986 the Executive Board appointed a Church Development Director Feasibility Committee to " ... study the feasibility of pursuing an associational Church Development Director." Later in the minutes it was stated, within parentheses, that, "This person would serve as an associational R.E. director. He would be available to assist churches in their organizational, outreach, and stewardship programs."

The committee is composed of Rev. Richard Plyler, Pastor of Patterson Grove Baptist Church, Kings Mountain, Chairman; Rev. John Bridges, Pastor of the Lawndale Baptist Church; Rev. Phil Waugh, Pastor of First Baptist Church in Grover; Dr. Joel Jenkins, Pastor of the First Baptist Church in Kings Mountain; Rev. Royce Ballew, Pastor of the Waco Baptist Church; and Dr. Bob Lamb, professor of religious education at Garner-Webb College. What follows is a progress report.

Since receiving its assignment in January, your committee has investigated this position extensively and has met seven times for discussion of all materials received. We have discovered that other associations are using such staff persons effectively as consultants to their churches and as staff assistants to the elected associational program directors who assist churches in discipleship development, outreach, stewardship, and in enhancement of existing educational programs. Church Development Directors are serving in the New River, Gaston, Buncombe, Mecklenburg, and New South River associations. The pastors in these associations which we have contacted are delighted with this approach. Pilot Mountain association is also in the process of securing a C.D.D.

Evidence is unavailable to support the idea that the association needs a person whose major tasks would be to start churches or to serve for extended periods of time as a minister of education in specific churches. As Dr. James Williams, Associate to the President of the Sunday School Board, wrote July 28, 1986, "The idea of a roving church growth specialist who would serve as an RE worker in a church for a short time has not yet caught on. There are built-in limitations to this approach."

However, in our research, we have discovered many positive things in the term Church Development Director. It is a much broader concept than we initially realized. We see a person with this particular job title as able to

(1) relate to our pastors, staff members, and our church organizational leaders,

(2) serve as a consultant and resource person to our associational committees (Sunday School, Church Training, Womans Missionary Union, Brotherhood, Evangelism, Seminary Extension, Christian Life, Recreation and Drama, Strategy Planning, Youth for Christ, and Church Survey and Extension),

(3) serve as a catalyst for the leadership in our churches as well as an encourager for our work.

(4) suggest good tools for churches and our staff, both volunteer and professional, and help us use them, and

(5) relate to denominational educational agencies.

The means by which such a person could serve would include

(1) consultation with pastors and other church leaders as requested,

(2) provision of leadership training.

(3) recommendation of resources,

(4) assistance to associational committee chairmen, and

(5) maintaining lines of communication with our churches

THIS IS A PROGRESS REPORT. While such a person would undoubtedly be useful to the churches of our association, there are still questions to be answered before our committee can complete its work. We continue to solicit your wisdom in assisting us in finishing our task.

REPORT ON CHRISTOPHER ROAD BAPTIST MISSION
(as of October 21, 1986)

Acting on faith and counting on the support pledged by the Advisory Committee of the Kings Mountain Baptist Association, the Christopher Road Baptist Mission has begun a 5,000 square foot building to be used as its base in reaching the lost and unchurched in that part of Cleveland County.

1. Volunteer contractors Colon Hamrick and J.R. Webber saw that footings, a foundation, rough plumbing, and a slab were completed by the middle of September.

2. During the week of September 29th, approximately 30 volunteers from Canton, N.C. erected the walls and put on the roof and roofing so that the building was "in the dry".

3. On October 11th, 10 volunteer electricians from Charlotte and Cleveland County put in all the rough wiring.

4. Also on October 11th, approximately 25 or 30 volunteers from Cleveland County began the brick work, and they plan to continue it each Saturday until it is complete.

5. During the week of October 13th, heating and air conditioning ducts were installed, insulation was put in the walls, and more plumbing was done.

6. During the week of October 20th, (this week) there will be anywhere from 15 to 50 volunteers from Spruce Pine putting up sheek rock and doing any other work that comes to hand.

7. When the time comes, we will have volunteers from Cleveland County doing trim work, volunteers from Eden, N.C. painting, and volunteers from Cleveland County laying carpet.

8. Volunteers from W.M.U. organizations from all over Cleveland County have arranged to feed volunteer workmen.

9. We must pay for all materials and some specialized labor even though most of our labor is provided by volunteers. It is now apparent that we will need at least $80,000 in cash money to complete this job. As of last week, the building fund has received $48,553.97 from individuals and churches all over Cleveland County.

10. The Lord is performing a miracle in our midst. He is using many churches and many, many people from all over our county and state "his wonder to perform". If you or your church have not yet had the wonderful experience of being a part of this miracle, wouldn't you like to be? Contact the Baptist Center at 1175 Wyke Road, Shelby, N.C. 28150 (telephone 482-3472) and share in the excitement.
